Please think about what activities you would volunteer to support/sponsor during 2018. For example, during 2016 we were an active participant in the 50th Anniversary Commemoration of the Vietnam War and we wished the veterans of that war a hardy "Welcome Home." In 2017, we provided financial support for the tailgate party sponsored by the West Point Society of the Gulf Coast prior to the Tulane football game in New Orleans and several of our members attended the event. Is there anything special you would like to do in 2018? Contact Chuck Merkel (850) 897-4505 or Chris Beam (850) 582-5855.

Thanks, in advance, for supporting YOUR West Point Society of NW Florida!
