Checks should be made out to the **West Point Society of Northwest Florida.**

Due to COVID-19, our Society has only participated in virtual events for the last two years. Therefore, we have not charged dues during this timeframe. Since we are getting back to in-person events, we ask that you start or renew your membership and contribute to your Society through annual or lifetime dues. Lifetime members will receive a personalized framed certificate in recognition of their donation. Also, please think about what activities you would volunteer to support/sponsor during 2022. Is there anything special you would like to do? For example, the Army football team is scheduled to play Troy University in 2022. What would you think about going as a group to see the game? Contact Chuck Merkel (850) 585-6582 or Chris Beam (850) 582-5855 with your ideas and/or suggestions.

Thanks, in advance, for supporting YOUR West Point Society of NW Florida!
