PLEASE start or renew your membership and contribute to your Society through annual or lifetime dues. Lifetime members will be presented with a personalized framed certificate in recognition of their donation. Also, please think about what activities you would volunteer to support/sponsor during 2023. Is there anything special you would like to do? For example, the Army football team is scheduled to play both the University of Louisiana – Monroe (ULM) and Louisiana State University (LSU) in 2023. What would you think about going as a group to see the games? Contact Chuck Merkel (850) 585-6582 or Chris Beam (850) 582-5855 with your ideas and/or suggestions.

Please note our new mailing address: PO Box 1752, Niceville, FL 32588.
